

AVERAGE JOE:

You don't have to be above average to be accepted by God; He can save anyone!

God treats every-one alike. He accepts people only because they have faith in Jesus Christ.

Romans 3:22

If you relate to the need for a makeover from God, you might want to pray something like this:

Dear God, I know that I am imperfect and need You. I believe that You sent Jesus to die on the cross to pay for my sin. Change me from the inside out and make me a new person. Come into my life and make it Your home. I ask this in Jesus' name, Amen.

☐ I have just prayed to ask God to give me a makeover. *Tell us and we will send you free literature to help you grow in your new relationship with God.*

Makeover Mania!

By Dan Southern

If we believe the makers of current television programs, our American dream is not just to own our home, but to remake it into a “dream crib.” It has become a national obsession to diet, inject Botox, consider surgery or take performance enhancing drugs as the ultimate ways to make over our bodies. And the only cars worth driving are ones we’ve tricked out with all the latest technology.

This probably explains why millions of us watch the myriad of TV programs developed around the themes of *improving* our homes, cars, or bodies. But how can we find true happiness if our external life is beautiful and our inner life is a mess? Jesus commented on this dilemma in the gospel of Luke.

Don't be greedy! Owning a lot of things won't make your life safe...I tell you not to worry about your life! Don't worry about having something to eat or wear. Life is more than food or clothing.

Luke 12:15-24

The Fatal Flaw

What's wrong with working to make things as good as we can? The people of Jesus' day were just like you and me, and their mistake was the same one we still make

today—they simply left God out of the formula in their pursuit of happiness. They apparently didn't realize that unless they were *first* right with God, nothing else in the material world could be right either.

The peace and fulfillment we all seek will never be found in nice things alone. God created this emptiness in our hearts to drive us toward Him.

“We all have a God-shaped hole in our hearts that nothing else but God can fill.”

Rene Descartes, French Philosopher

God made us to have a meaningful relationship with Him, and nothing else can fully satisfy our craving for inner peace and security. I want to invite you to put your life back in God's capable hands. Make your heart God's home and you will have the “Perfect Makeover” you are looking for.

Follow these simple steps:

NIP/TUCK:

Admit that you are a sinner and need God's surgery on your inner person to become truly beautiful.

All of us have sinned and fallen short of God's glory. But God treats us much better than we deserve, and because of Christ Jesus, he freely accepts us and sets us free from our sins.

Romans 3:23-24

TRADING SPACES:

By faith, invite God's Son, Jesus, to come into your life and take the penalty of your sin on Himself.

Christ died once for our sins. An innocent person died for those who are guilty.

Christ did this to bring you to God, when his body was put to death and his spirit was made alive.

1 Peter 3:18

OVERHAULIN':

Be willing to give Him first place in your life and let Him rebuild you from the ground up.

We never give up. Our bodies are gradually dying, but we ourselves are being made stronger each day.

2 Corinthians 4:16
